KEVIN C. MENDOZA

ELECTRONICS ENGINEER

Salitran 1, Dasmariñas City | kevincaceresmendoza@gmail.com | 0998-9294-368

PROFESSIONAL SUMMARY

Adaptable licensed Electronics Engineer and Technician with hands-on internship experience in circuit testing, schematic review, and technical documentation. Skilled in problem-solving, lab reporting, and software use, with a strong ability to learn quickly and support team goals. Detail-oriented early-career professional with experience supporting marketing and engineering teams through reporting, documentation, and project coordination. Known for collaboration, organization, and fast learning, with a focus on improving workflow, accuracy, and team productivity.

CORE SKILLS

- Microcontroller development
- Simulation software
- Embedded system design
- Circuit design
- Altium Designer
- AutoCAD
- NI Multisim
- Simulation Software
- Technical Documentation
- Teamwork & Collaboration
- Communication
- Quick Learner

PROFESSIONAL EXPERIENCE

Engineering Intern | Neocircuits – Sampaloc I, Dasmariñas City | June 2025 – August 2025

- Assembled test setups for prototype validation and component evaluation.
- Reviewed schematics for consistency, completeness, and design-rule compliance.
- Supported engineering team with circuit design documentation and specification updates.
- Recorded lab results and organized technical files for team reference.
- Assisted troubleshooting of PCB and hardware issues during development cycles.
- Prepared reports summarizing testing observations and design feedback.
- Adapted quickly to lab tools, workflows, and engineering documentation standards.
- Supported staff members in their daily tasks, reducing workload burden and allowing for increased focus on higher-priority assignments.
- Gained hands-on experience in various software programs, increasing proficiency and expanding technical skill set.

EDUCATION & CERTIFICATIONS

Bachelor of Science in Electronics Engineering | April 2026

Rogationist College – Silang, Province of Cavite, Philippines

Graduated Magna Cum Laude | Class Valedictorian, Batch 2026

Thesis: “IoT-Based Wearable Wristband for Emergency Monitoring of Employees with Comorbidity in Rogationist College”

Registered Electronics Engineer (REE)
Licensed · October 2026

Electronics Technician (ECT)
Licensed · March 2026

ADDITIONAL INFORMATION

Extracurricular Activities: Secretariat Committee Member, Supreme Student Council – Rogationist College (2024–2025); Program Committee Member, Supreme Student Council – Rogationist College (2025–2026).
